- Participate in risk control and emergency response for entry into and working in a confined space
- Monitor the confined space conditions and control measures for safe working
- Assessment (Written/Oral questions/Practical Performance/Case study)

Course Fee (incl. GST):

For Non ASPRI Members (incl. GST):

Full Course Fee	\$555.15
-----------------	----------

SDF and Absentee payroll Funding available for S'porean/PRs

For ASPRI Members (incl. GST):

Full Course fee	\$540.00
-----------------	----------

WSQ Assess Confined Space for Safe Entry and Work

Pre-requisites:

With effect from 30 July 2019, the Numeracy (Maths) and Science (Physics and Chemistry) requirements will be removed as pre-requisite for the course Assess Confined Space for Safe Entry at Work (ACS) to allow experienced individuals to enrol for the course to be a confined space safety assessor in their respective industries.

You are assumed to have relevant knowledge in Workplace Safety and Health to understand and comprehend the topics.

About the Course:

On completion of this unit, participants will have the knowledge and be equipped with the application skills in basic principles in working within/around confined space. This includes:

- Use of appropriate gas testing equipment to ascertain that the confined space atmosphere is safe for entry and work
- Recognise the limitation of the test equipment used; calibrate the equipment and use it to obtain representative results for the assessment of confined space for safe entry and work
- Monitoring the atmospheric conditions to ensure that it is safe for entry and work

Certification:

A Statement of Attainment (SOA) and safety pass will be awarded to successful participants.

Funding Information*:

Funding is available for Singaporeans and PRs.

Please contact us at 6795 5700 for more information.

*Terms and conditions apply

“All Singaporeans aged 25 and above can use their \$500 SkillsFuture Credit from the government to pay for a wide range of approved skills-related courses.

Visit the SkillsFuture Credit website <https://www.skillsfuture.gov.sg/initiatives/mid-career/credit> to choose from the courses available on the SkillsFuture Credit course directory.”
